Subject	**Mercury Free Requirement**

QUALITY ASSURANCE PROVISION

Goods furnished shall be free from contamination by the presence of functional mercury. Compliance with this requirement shall be certified on the packing slip or CoC supplied with goods.

For COTS items InterLnX may opt to store a manufacturer Mercury Free declaration on file to alleviate the need for suppliers to provide additional documentation.

For Non-COTS items (build to print items) the supplier must provide a documented Mercury Free declaration. The declaration may be delivered in any of the following formats:

-Packing slip
-Supplier/Manufacturer custom form
-Email from supplier or manufacturer
